

# Village of Kingsley Fee Policy

## Resolution #

It is the policy of the Village of Kingsley that fees levied for various permits and services performed by the Village shall bear a reasonable relationship with the actual cost to the Village. Fees collected shall be used to offset the actual costs of administering the Ordinances of the Village. These costs shall include, but are not limited to: postage, photocopying, newspaper public hearing advertisements, notices to adjoining property owners, salaries, wages of staff, trustees, officers and commissioners, film, mileage, phone tolls and fax charges, maps, reproduction of application materials, inspections, and other staff review and preparation time.

**Additional Costs of Review:** An applicant shall be required to pay such additional fees in the amount determined by the “actual costs”, as documented and billed as incurred, such as attorney fees, professional planner, engineer, surveyor, architect, accountant, landscape architect and other professionals hired by the Village of Kingsley to determine the extent of conformance or nonconformance with the Village of Kingsley master plan, zoning ordinance and other ordinances and regulations of the Village of Kingsley.
